Thank you for helping us to
make a difference in the
lives of young people.

ABOUT US

Youth Solutions is a youth drug and alcohol prevention and health promotion charity delivering health and wellbeing education programs as well as support services to young people and the community.

Our ultimate goal is to build the skills, knowledge, supports and connections needed for young people to be prevented from experiencing drug and alcohol harm.

Our programs and services work towards our vision of a community of young people with the capacity to live healthy, safe and well-connected lives.

We're making some incredible impact in our community, but we cannot do it alone. It takes a whole community to give our young people a positive path - your support is the key.

All funds raised from the 2023 Charity Golf Day will be directed into Youth Solutions' impactful programs to help us continue and expand our work to meet the needs of our growing community.

A very special thank you to **Rise Above Foundation** and **Macarthur United Realty** for partnering with us this year to enhance the success of this event!

Thank you for your support; we hope to see you on the green!
