## ***About Youth Solutions***

Youth Solutions is a youth drug and alcohol prevention and health promotion charity. We work with young people and the community across the Macarthur and Wingecarribee regions of NSW, on the lands of the Dharawal and Gundungurra people.

Our reason for existence is simple: to prevent and reduce youth drug and alcohol harm and increase safe behaviours. Through our health education programs, campaigns, services and activities we focus on empowering, upskilling and educating young people in our diverse communities.

Our vision is a community of young people with the capacity to live healthy, safe and connected lives – and your support and sponsorship is the key. Together, we can make a positive difference in the lives of young people. Together, we can prevent harm and provide a better future. All funds raised from the 2024 Annual Charity Event are directly invested into Youth Solutions programs and services for young people.

Thank you for supporting Youth Solutions and the young people in our community.
